BUSINESS IS HER BUSINESS

By Kaitlin Martin

Zalma's new business teacher is Mrs. Pamela Reynolds. She has held a long list of teaching positions, starting in 1984 and has taught at four schools; Puxico for one year, Fox School District for twenty years, and the Woodland School District for twelve years. She retired three years ago, and this year she decided to get back into the classroom. She will be working a part time schedule at Zalma, teaching business tech, computer applications, and multimedia. She has given the computer lab a new look, decorating with sports memorabilia. She is a Cardinals fan. She will also be updating the school website. We look forward to having Mrs. Reynolds in the high school. Welcome!

Miss Ashley Acup

By Kiara Cato

This year, we welcome a new staff member, Miss Ashley Acup. She is the new seventh grade teacher. Miss Acup is a 2011 graduate of Woodland High School. She attended college at Central Methodist University. This is her first year of teaching, but she has always known that she would teach. Ms. Acup was inspired by her mother, who was also a teacher. Her biggest challenge has been balancing family, two jobs, and college. She is looking forward to getting to know her students, and the community. So far, she has enjoyed her time here at Zalma High School. Let's hope for many good years to come!

Mrs. Woodfin starts the school year with 6th Grade

By Jericha Miller

Former business teacher, Mrs. Cheryl Woodfin, has been working at Zalma for nine years. She has taken the opportunity to challenge herself by becoming the new sixth grade teacher. The most challenging thing about switching positions is being able to learn the different education levels that all of her students are at. Another challenge she faces is getting used to the elementary schedule. She loves Zalma, and is following in the footsteps of her late mother-in-law, Javada Woodfin, who taught at Zalma for over 37 years.
