## Welcome Miss Eichhorn

By Lindsey Umfleet

This year Zalma welcomed a new fourth grade teacher, Adrienne Eichhorn. Miss Eichhorn is from Chaffee, Missouri and studied at Southeast Missouri State University. When she was in high school she did A+ tutoring with elementary kids and discovered that she wanted to be a teacher. This is her first year teaching and so far she really enjoys it. She said her favorite thing about teaching is working with the kids. She also said that the atmosphere at Zalma is very nice and she really likes her coworkers. The biggest lesson that Ms. Eichhorn wants her students to learn from her is to be kind, and always work hard. Welcome Miss Eichhorn!

By Mikayla Sargent

A group of Zalma students attend Poplar Bluff Technical Career Center five days a week throughout the day. TCC provides career and technical education for professional success within a curriculum framework that reflects the relevancy of our times, industry, and needs of our community. When you become a junior in high school, you are eligible to attend TCC. While there you are given the opportunity to take one of the following classes: Auto Collision Repair, Automotive Service Technology, Building Trades, Computer Graphics, Computer Maintenance, Cosmetology, Culinary Arts, Health Occupations, HVACR, or Welding. The yearbook staff wishes the best of luck to this group of students on working towards their future.
