Senior Spotlight - Jenny Pullam

Jenny Pullam is the daughter of Sharon Pullam and the late Bobby Pullam. She is the sister of Becky Roper, Cody Pullam, Lauren Litteken, Zack Pullam and Lindsey Pullam. She plans on having a big celebration and sleep past 10 a.m. every day until college starts. Her ultimate goal is to obtain her doctorate in physical therapy and become affiliated with different sports teams. In five years, Jenny will still be in college working towards her degree. The long bus rides, laughing and singing with teammates, while heading to a game is something Jenny will miss the most about high school. Her activities include Beta, FBLA, FCCLA, choir, track, volleyball, softball, yearbook and FCA. Jenny has been accepted to Missouri

State University in Springfield, MO and plans to attend in the fall of 2017. Her favorite high school memory was when a classmate unknowingly ate chocolate laxatives and they kept begging the teacher to go to the bathroom, but the teacher refused to let them leave the room.

Garret Robinson becomes Manager at McDonalds

By Wayne Martin

Garret Robinson has received the honor of having his picture added onto McDonald's tray liners, along with several other managers. Kathreen Daniels from the Zalma Ormazd Yearbook Staff took his portrait for the liners. Garret is being featured for his hard work, dedication to the company and becoming an official manager for the Advance McDonalds. Having been an employee since 2014, at first he had no expectations of becoming a manager. However after losing several managers in the beginning of 2016 due to different reasons, Garret decided he wanted to step up to the plate and take on the responsibility. "Even though my job gets hard and stressful at times, I wouldn't have it any other way," Garret says. "Especially when working with fellow crew members and friends such as

Austin Rohan, Logan Borders, Jacob Steinberg, and crew trainer Wayne Martin." So for all your hard work everyone at the Zalma School District would like to congratulate you on your accomplishment.

Burkman takes 1st Place in Springfield Karate Tournament

By Kelsee Montgomery

On Saturday, February 25th, Eythan Burkman attended the MMASC competition in Springfield. This was a karate competition in which he competed in sparring, grappling, and forms. Eythan received first place in grappling and second in sparring and forms. Eythan is currently at a purple belt and is only three belts away before receiving his black belt. He has participated in karate for 3 years. His favorite part is the tournaments because he likes to win, but he believes the hardest part is testing for belts. He would like to teach others the karate skills that he has learned, but his lifelong goal is to join the Army. Eythan also competes with his two siblings Kyler, 18, and Alyssa, 10.
