Volume 18, Edition 35

## Senior Spotlight - Garret Robinson

Garret Robinson is the son of Mike and Debbie Robinson. He has an older brother, Alex Robinson. Garret plans on getting a bachelor's degree in computer science and information technology. His ultimate long-term career goal is to become a computer systems and application analyst for a large corporation. In five years, he sees himself out of college and in search of work. He will miss joking around with friends, and helping his friends get into and then out of trouble. His activities include speech and debate, baseball, academic team, basketball and track and field. Garret has been accepted and plans to attend the Southeast Missouri State University. His favorite high school memory is when his friend Logan had to wear a child-sized Scooby Doo costume for a Halloween function hosted by Senior Beta.

## Students attend 75th FBLA Conference

*Macey James, Lacie VanGenip, Emily Pickett, Jenny Pullam, Tove Evans, and Aaron Taylor*

On April 2nd through the 4th, six Zalma FBLA members, and advisor Mrs. Cheryl Woodfin, travelled to Springfield, MO to attend the 75th Annual State Leadership Conference. Macey James and Jenny Pullam participated as voting delegates while Lacie VanGennip competed in Agribusiness, Emily Pickett competed in Introduction to Financial Math, Tove Evans competed in Accounting I and Personal Finance, and Aaron Taylor competed in Networking Concepts. For the first time in eight years, Zalma brought home a state competition medal thanks to Aaron Taylor receiving 8th place in Networking Concepts.
